Gift Aid

The Sussex Historic Churches trust may currently reclaim the tax at the rate of 28p for every pound you subscribe provided that you certify, by giving a full name, address and ticking below, that you will pay more income / capital gains tax in this financial year than the amount we claim on your behalf. For administrative reasons this facility will only be applied to amounts of £5 and over.

Participants: Please send any BR5 forms which list a Gift Aid contributor to the treasurer with your BR8 form.

About the Historic Churches Trust

This was founded in 1956, and gives grants or interest-free loans to churches and chapels of all Christian denominations of architectural or historic interest throughout Sussex for essential repairs and restoration. Over the years we have helped more than 470 churches.

The Sponsored Ride & Stride

Created in 1982 there are now 31 County Trusts raising £1.5 million annually. Our Trust raised over £60,000 in 2007 but with the introduction of online donating it is hoped this will increase significantly. The money raised will be shared equally between the Trust and the church or chapel nominated by each participant. In Sussex over 600 buildings will be taking part, and some of them providing refreshments**.**

Recorders

The Sussex Historic Churches Trust offers the opportunity for records to participate in this event. Those who man the churches can seek sponsorship based n how many hours they spend on duty and/or how many participants visit whilst they are on duty. In order to help you remember whether a person has sponsored you per hour or per visitor cross out the H or V in the symbol $\frac{H}{V}$.
